COVER LETTER

Dear Hiring Manager,

I am writing to apply for the position at your company, despite not having any prior work experience. I am Studying for a bachelor degree of computer science at Phnom Penh International University (PPIU) and I am eager to start my career in the workforce.

Although I do not have any direct experience in the industry, I have gained valuable skills and knowledge through my academic studies. Bachelor degree of computer science at Phnom Penh International University (PPIU), I learned about various subjects such as mathematics, science, and literature. Additionally, I participated in extracurricular activities that allowed me to develop my leadership and teamwork skills.

I am a quick learner and am eager to gain practical experience in the field. I am confident that with my strong work ethic and willingness to learn, I will be able to contribute positively to your company.

Thank you for considering my application. I look forward to discussing my qualifications further in an interview.

Sincerely,

OUCH SUNTHEAN
